General Information, Rules & Regulations

Tee Times

Members can book tee times 10 days in advance. Public players can book 7 days in advance.

Members must have a Tee-Time and are required to sign in at the Pro Shop before beginning play. In the event a Member is unable to play at the assigned time, please be considerate and advise the proshop, so that the vacancy created may be filled.

New Tee Booking System

Our online booking system is now through a company called tee-on software inc. To book online please visit www.lorettegolf.ca and click the book now button. From there you will need to log in through the system. A username and password has been assigned to each member and your username and password. Is in your membership pack. Any questions around this please ask for assistance from any pro shop staff.

Corporate Events & Fundraisers

In order to help sustain successful business operations, the golf course hosts a variety of Corporate Events and Fundraisers throughout the golfing season. These events are posted well in advance on the course calendar located in the Pro Shop. Please take the time to be aware of these events, or at anytime phone the Pro Shop to check availability. Tournament numbers this year are very similar to previous years.

We will do our best to accommodate both Members and Tournaments whenever possible, but please keep in mind that when there is an event taking place that they have priority for the allotted tee-times. The golf course will utilize all available tee times. For example, if a tournament is 32 people the golf

course will reserve 4 holes for a shotgun start and will fill the remainder of the spots with Public and Member play. We appreciate all Members co-operation and understanding in accommodating tournament play. We also suggest that members book tee times in advance on weekends and busier days, so you get the tee time you want or close to.

Members are also encouraged to use the golf course for hosting your own special event. Whatever the reason, whether it is for your company, family reunion, church group or sports team, we would be happy to host! Please speak to Gareth Tanswell about options for your event.

Golf Canada Handicap System

All Members are encouraged to maintain a handicap within the Golf Canada Handicap System. Maintaining a handicap is a useful tool for tracking your games progress, while allowing golfers of all skill levels to compete on a level playing field. A handicap is also often required when playing golf internationally. If you are interested in maintaining a Handicap this season, please speak to the General Manager on the costs of this and if you would like we can help you be setup in the system and to provide you with a quick tutorial on how the system works.

Dress Code

- Shirts must be worn at all times.
- Tanks tops, halter-tops, painted, numbered, fishnet or muscle shirts are not permitted.
- Proper golf footwear is expected on the golf course. Metal spiked golf shoes are not permitted. Members and guests are requested to clean the soles of the golf shoes on the brushes provided prior to entering the clubhouse after a round of golf or practice session

Respect for the Course

- Before leaving the bunker or trap, a player must carefully smooth or rake out all holes and footprints made therein.
- From tee to green, a player should ensure any turf cut or displaced by the player is replaced once and pressed down, and that any damage to the putting greens made by the ball or the player is carefully repaired. **If every member fixed one of two pitch marks every time you went on the green, this would have a significant impact on the quality of our greens.**
- Players should ensure that, when dropping bags or flagsticks, no damage is done to the putting green. The flagstick should be properly replaced in the hole before the players leave the putting green.

Personal Alcohol

In coherence with MLCC Law, under no circumstances are Alcoholic Beverages not purchased from the Lorette Golf Course permitted. Violation will result in confiscation.

Power Carts General Operating Information

- Each cart user must sign a golf cart rental agreement prior to being issued a user key. Power carts rules apply equally to rented carts and those using their own personal cart.
- A sign at the first hole will outline any restrictions in place:
 - No carts today
 - Carts must stay on cart paths
 - 90° rule in effect
- Power carts should remain on the path on all par 3's unless given exception for physical handicaps.
- The specific decision is the responsibility of the golf course superintendent in concert with the General manager.
- Maximum 2 riders per cart.
- Maximum 2 carts per foursome.
- Carts are not permitted on the shoulder or surface of any teeing area, bunker or greens. Lines or signs are directional barriers intended to divert traffic around greens and preserve good playing conditions.
- Do not drive carts aimlessly through wooded areas while searching for golf balls. Park at the side of the fairway and conduct the ball search on foot.

Slow Play

With any Golf Course, slow play can affect everyone's experience on the golf course. Lorette Golf Course is committed to dealing with this issue and we hope that the processes we have put in place will help with this issue during the 2018 season.

The control of play on the course as well as enforcing golf course rules is the responsibility of the Pro Shop. This includes preparing the daily starting times, controlling the first tee, monitoring pace of play, enforcing rules & etiquette. We ask that Members do not personally enforce rules upon others, rather bring the issue to the attention of the Pro Shop.

For any groups that are playing 18 holes (Except for when playing in a league or tournament) it is requested that you check in with the pro shop after the 9th hole. This helps the pro shop manage the tee sheet and try and avoid slow play issues occurring on the course.

Pace of Play

To provide the best experience possible for all golfers at Lorette Golf Course, the following outlines the guidelines of our Pace of Play Policy. Groups should keep pace with the group ahead at all times, with all golfers being required to complete 9 holes in 2 ¼ hours or less and 18 holes in 4 ½ hours or less. Our course has been given a Pace of Play rating of 2 hours per 9 holes, therefore the allotted time should be sufficient.

Etiquette on the Course

- The low handicap player in each foursome shall be responsible for course etiquette.
- Players searching for a ball must allow other players coming up to pass and should not continue their play until those players have passed and are out of range
- If a match fails to keep its place in the course and loses more than one clear hole on the players in front, it should allow the match following to pass.
- It is the duty of the player to insist on their right of passing under these rules, rather than being held back and consequently holding back the entire field behind them.
- When the play of a hole has been completed, players should immediately leave the putting green, writing down the score on the next tee.
- Members must not deviate from the course rotation system unless permission is granted from the proshop. This rule includes resuming play after having broken off after nine holes.
- A single player has no standing and should give way to a match of any kind. Groups of 5 or larger are not permitted,. If you do see a 5 ball on the course please call the pro shop and make them aware of the issue.

Suggestions for Maintaining Pace of Play

- Play ready golf.
- New and high handicap golfers should play from the **forward tees**.
- All players should **spot** the hitter's ball.
- Study your line of putt, while others in your foursome are **preparing to putt**.
- **Minimize** practice swings.
- On par 3's, any player who can't reach the green **should hit** when ready.
- Park carts **behind or towards** the rear of the green so that when you putt out you will be moving away from the field of play.
- Take **more than one** club to the ball including when looking for a lost ball.
- Scorecards should be marked on the **next tee**, not on the green.
- **Low handicapper** is responsible for achieving time goals and keeping up with the group ahead.

- Your place on the course is directly behind the group in **front of you**, not directly in front of the group behind you.
- When in doubt, **hit a provisional ball**. Eliminate the need to go back to where you hit your last shot.
- Limit your search for a lost ball to no more than **three** minutes. New Golf Rule for 2019

Remember, just 15 seconds' delay per player per hole in a foursome adds up to an additional 18 minutes on a round.

Suggestions and Complaints

We are always open to receiving your feedback and believe that constructive criticism is important for continual growth and success. Please bring forward any thoughts, comments or concerns to the General Manager.

The golf course has a zero-tolerance policy for either verbal or physical abuse of LGC staff, Members or Public Players at large. Please treat everyone with the same respect you would expect from them. Any complaints regarding a Fellow-Member, Employee, or Public-Player should be brought to the attention of the General Manager or Senior Staff Member and not handled on an individual basis. Any infraction may result in a suspension from play or in extreme circumstances the revoke of one's Membership and privileges.

Pro Shop and Restaurant Hours

The proshop hours are dependent upon daylight hours and weather conditions and will vary throughout the season. In general, the proshop will be open from dawn to dusk each day or from the first scheduled tee-time **or until the golf course is clear in the evening**. Members will be notified of special hours and changes to the above times. If you are looking to book a tee-time after the Pro Shop is closed, please visit our website at www.LoretteGolf.ca to make a reservation online. Online you are only able to book 7 days in advance. The restaurant/kitchen will be open dependent upon daylight hours, weather conditions and the restaurant opening times for the forthcoming month will be published in the clubhouse next to the restaurant ordering counter.

Our Pricing Policies

At Lorette Golf Course we aim to offer excellent value for money on our services offered. We believe we price our products and services very competitive to our marketplace. For golf clubs and accessories, we will always match or beat any price offered and with our membership discounts in the pro shop. You will find that many of our prices to be lower than the box stores e.g. Golf Town, Nevada Bobs, Sportchek.

Even though we don't stock clubs if there are any clubs you are interested in purchasing. We hold accounts with most of the major manufactures and would be more than happy to try to beat any pricing offer elsewhere for our members.

In our restaurant and clubhouse, we aim to offer fair pricing for food and beverages and we are constantly comparing our pricing to local restaurants and bars, as well as other golf courses. It is our focus to improve not only the quality of the food this year but also the service provided.

We also do want to remind members that all our pricing quoted on our price lists in the restaurant includes tax. Please bare this in mind when doing price comparisons.

Golf Course News and Communication

In addition to this package, please keep in mind that throughout the year we communicate to our Members through our members bulletin Board, Email List, Website - www.lorettegolf.ca and our Facebook Page <https://www.facebook.com/LoretteGolfCourse> regarding various events and promotions happening at the golf course. Please stay tuned to these various mediums to stay up to date and If you do use Facebook if you could like our page and posts. Lorette Golf Course would appreciate the support to get our communications/promotions and news out to the Winnipeg golf market.

Finally, if you currently are not receiving our emails please inform us so we can add you to our list. LGC Staff are also available at any time to provide you with any assistance you may need
