Membership Type/ Non Member	

Terms and Conditions

- Lorette Golf Course Driving Range Membership offers our golf course members the opportunity to pre purchase 20 Large range baskets for \$100 (which equates to \$5 a basket) and for None Members you can purchase 20 Large Range baskets for \$140 (which equates to \$7 a basket)
- After your allowance, has been used the opportunity will be available to purchase another membership. There is also no expiration date on the pre-purchased baskets.
- Range Baskets will be collected from the pro shop where they will mark against your account for your allowance
- Range baskets are expected to be used on the driving range only, if you do want to practise in our short game area. It is asked that golfers use their own golf balls.
- Members must not share a bucket of balls, with another golfer. The range membership and discount is for personal use only
- Out of courtesy it is requested you bring your empty baskets back to the pro shop. This will help us keep the range look clean and in good condition throughout the season
- Mats are provided to be used on the range. Driving range members can use the grass in front of our tee's if required. We do ask that if multiple people are on the range that you consider your safety if playing from the grass.
- The driving range will be open every day throughout the year that the golf course is open. If golf course is closed due to weather, the driving range will also be closed
- Opening and closing hours will be same time as our pro shop opening and closing. This can vary throughout the golf season but generally this will be from 7am until 930pm on an evening, from the month of May onwards
- Management reserve the right to suspend a range membership if our terms and conditions are not followed.

To sign up for your driving range membership, you will be requested to fill in this application form and make full payment for the membership in our Pro Shop.
